

Close Tuesday

- Reflections by Leif
- Missing questions and other reflections
- Breakout session Wednesday before lunch

Why moving from MARC?

- 2000ff user interfaces were made FRBR alike
 - and moving from cataloguing cards to internet : discovery HAS changed
- So: our "back offices" make something different from what "front office" need
- Shall support modern discovery

BIBFRAME Community?

- Breakout Development of an international BIBFRAME community don't attract...
- The Organizer Group need some feed back form the audience:
 - a 2019 workshop
 - change to “BIBFRAME Workshop (in Europe)”
 - drop “European” and integrated to US “LD4” community Or ??????

- Missing questions
- and other reflections

Breakout session

Topics for breakout session before lunch Wednesday

- RDA with BIBFRAME
 - Workflows with BIBFRAME data
 - Training with BIBFRAME
-
- More details before coffee break Wednesday morning
 - Sign-in during coffee break
